

### 38 Wood Street Beechworth VIC

2  1  1 

Tucked away in a secluded location yet right in the heart of historic Beechworth, you will find this rare beauty.

The home has been carefully built with mud bricks and raw timbers offering a natural and tranquil feel. Surrounded by a low maintenance yet very private garden, the property leaves you feeling like you have been in a tropical oasis.

The home is two storeys and offers two spacious bedrooms on the second floor, both with built in robes. The main bathroom comprises of vanity with built in laundry facilities, shower over bath and separate toilet. The kitchen has a wonderful earthy feel, being the heart of the home and built with raw recycled timbers. Gas cooking is available and great storage options.

The lounge room is spacious with plenty windows and a
