

16 Bridge Road Beechworth VIC

2  1  2 

Located only a short walk or drive to the heart of Beechworth and on a generously sized block of approx. 883sqm, this charming two-bedroom weatherboard and iron roofed home is also close to the popular walking trails of the Beechworth Gorge and the nearby Rail Trail.

Full of opportunity, and with welcoming established and shaded front gardens this home offers two queen-sized bedrooms, one of which features built-in-robies and an open fireplace. Both bedrooms include high pine-lined ceilings and large windows allowing for plenty of natural light to filter through. The dado lined hallway is welcoming and features polished timber floorboards.

The central, open-plan living and dining area includes a spacious kitchen with gas cooking and a wood combustion heater plus an adjacent formal dining area. The
