

38 Wood Street Beechworth VIC

2  1  1 

Tucked away in a secluded location, yet still right in the heart of historic Beechworth, you will find the rare beauty of 38 Wood Street.

This home has been thoughtfully and lovingly built with mud bricks and raw timbers offering a natural and tranquil feel and is surrounded by an expansive and private 'secret garden'.

The ground floor features split-level living. On the lower level is an aesthetically pleasing, spacious lounge with an abundance of windows and a wood heater with a flue transcending through the ceiling to the second floor Master Bedroom providing plenty of warmth to the second storey of the home. The upper level includes a wonderfully earthy feeling kitchen, built with raw recycled timbers, featuring gas cooking and ample storage space. The main bathroom
